

ENTERING ON-LINE FOR ITF TOURNAMENTS IN AUSTRALIA

The Tennis Seniors Australia Executive would like to remind ALL players of their responsibilities when entering ITF tournaments in Australia.

If players are entering an ITF event, for singles, doubles or mixed, you MUST enter on-line at www.itftennis.com/ipin for the IPIN events, as well as www.92computing.com.au for ALL events and payment of your entry fees before the closing date.

Check the tournament entry form to see what events will be conducted as ITF IPIN events before entering. Players entering in IPIN events MUST have an IPIN Number.

Closing dates shown on the entry form and ITF IPIN website will be strictly enforced for ALL ITF events. Please ensure you do not leave your on-line entry until the last moment in case you experience any problems with your entry.
