

## TSA Executive 2017 – President and other roles

The 5 year term of President Reg Trevaskis will end at the AGM in January 2017. He has advised the Executive that he does not wish to hold any Executive office in 2017. He is however prepared to act as an “adviser” to the new President and/or Executive, if that is requested. None of the current Executive members wish to nominate for the role of President. Some are prepared to stay on preferably in a “hand-over” capacity for a period of time, but that depends on a number of circumstances.

The Executive is very keen to have some form of succession plan in place if that can be achieved, so that the momentum and work of the past few years can continue.

If any members of State Senior Divisions have an interest in the role of President, or any other role on the Executive, they are invited to have a confidential discussion with Reg, or to submit an expression of interest. He can be contacted on [regt@tpg.com.au](mailto:regt@tpg.com.au) or on 0434848144.
