

TENNIS SENIORS AUSTRALIA

APPOINTMENT OF NATIONAL SELECTION COMMITTEE

Tennis Seniors Australia annually appoints a National Selection Committee.

Over the last few years the Executive has taken the opportunity to revise the selection process to provide more relevant Committees.

For 2019 there will be two National Selection Committees, one for men comprising of 6 men and one for women comprising of 6 women. A selector would serve a minimum of one year and no longer than five consecutive years. The mix of selectors in each committee should ideally include persons from each age group and ideally only one person from each State. However the Executive may override these requirements depending upon the nominations received.

Nominations are to be complete the Nomination Form and forwarded to the National Secretary, Pat Moloney, prior to Wednesday, 5th December 2018. After receipt of nominations, the National Executive shall consider the applicants and appointments shall be announced at the Annual General Meeting in Shepparton on Thursday January 10th 2019.

Nominees should be familiar with the current Selection Criteria and Roles and Responsibilities of Selectors. Both documents are listed on the website under: About Us/National Selectors. It should be noted the Selection Criteria is currently being revised and will be available early 2019.
