

Queensland win the Australian Seniors Teams Carnival

January 2020

The Australian Teams Carnival has been won by Queensland for the third year in a row. TSQ President was beside herself when it was announced at the Annual Awards dinner in Busselton. However she was quick to thank the Queensland players for the efforts of the week and to congratulate TSWA and the Busselton and Bunbury Clubs for such a magnificent week of tennis. The organisation, the courts and the weather were all superb.
