MAJOR SPONSOR SECURED FOR "Q18"

The Organising Committee for Q18 (the Australian Seniors Teams Carnival and Individual Championships) to be held on the Gold Coast in January 2018, is very pleased to advise that a major (and naming rights) sponsor has been secured for the event.

Since 1949, Niagara Therapy has had a very proud history of helping people of all ages gain improvements in their health and mobility using their Cycloid Vibration Therapy (CVT) devices. People from all walks of life and abilities use Niagara's unique therapy regularly, for benefits such as:

- ☑ Increasing blood flow
- ☑ Reducing swelling
- ☑ Improving muscle/joint stiffness and soreness
- ☑ Assisting the body with healing and injury management

The Q18 event will therefore be titled "**The Niagara Australian Seniors Teams Carnival and Individual Championships**". Niagara will have product on display at the event, and will invite players and guests to enjoy a complimentary treatment. Find out for yourself how Niagara could help you "Feel, Move & Live Better"!

As the human body ages, we all face increased challenges in maintaining a quality of life that allows us to pursue interests such as playing sports, travelling and spending time with family. Niagara allows each individual an opportunity to easily provide a relaxing therapy for their body on a daily basis in the comfort of their own homes. They are very excited to begin working with Seniors Tennis players of all ages to "Feel, Move & Live Better" while still enjoying the game they love so much.

With complimentary treatment demonstrations, a chance to win a \$10,000 Cruise Voucher or Cash and Therapy Consultants on hand to provide advice, Niagara is fully committed to making the 2018 event one to remember.

The Organising Committee thanks Niagara for their support, and we encourage players and guests to visit their display at Q18, and find out more about the benefits of their equipment

and treatments. ☆ ☆ ☆ ☆ ☆

Down at the local RSL, they were having a testimonial dinner. "Tonight," announced the master of ceremonies, "we are gathered together to honour a man who doesn't know the meaning of defeat or surrender... So we have all chipped in and tonight bought him a dictionary."

As a publicity gimmick, the popular radio DJ and his TV star bride held their wedding ceremony in the second floor conference room above his radio station. So many fans showed up that the building collapsed. Which goes to prove the old adage that you should never marry above your station.

JUST FOR FUN

One year, I decided to buy my mother-in-law a cemetery plot as a Christmas gift. The next year, I didn't buy her a gift. When she asked me why, I replied, "Well, you still haven't used the gift I bought you last year!"
And that's when the fight started.

I took my wife to a restaurant. The waiter, for some reason, took my order first. "I'll have the rump steak, rare please." He said, "Aren't you worried about the mad cow?" He replied, "No, she can order for herself."
And that's when the fight started.

My wife and I were sitting at a table at her high school reunion and she kept staring at a drunken man swigging his drink as he sat alone at a nearby table. I asked her, "Do you know him?" "Yes", she sighed, "he's my old boyfriend. I understand he took to drinking right after we split up those many years ago and I hear he hasn't been sober since."

"My God!" I said, "who would think a person could go on celebrating that long?"
And that's when the fight started.

LAST WORD.

A bloke was driving down the highway when he was pulled over by the cops.

"What did I do Sarge," he yells out as the cop walks up.

"Nothin, mate. You just happen to be the one-millionth driver who's been along this road since it's been open and you've been awarded a \$1,000 prize.

"Bewdy, Sarge" he says.

"So what do you reckon you might spend it on," the sergeant enquires. "I reckon I might take the money and get some driving lessons so I can get my licence.

"What!!!" the cop explodes.

Just then the bloke's wife leans over from the passenger seat and bellows:

"Don't take any notice of him, sarge, he's drunk."

And the mother-in-law from the back seat, thumps the bloke on the shoulder and screams:

"See ----I told ya you'd get into trouble driving a stolen car!!!"
