

Hi Players,

If you weren't out last night you missed the opportunity to get your TSNT World Ranking but there is another opportunity 7pm, Friday 3rd May at TEMS on Bagot Road.

The TSNT super computer has been grinding, yes it does make funny noises, grinding away for 42 hours to find the answer to the ultimate question. Who is the best? There maybe be a few more bugs to iron out but the current ranking is:

1. Marti
2. Dave
2. Irene
4. Tim
4. Sam
6. Alan
7. Mark
8. Mary
9. Martin
10. James
10. Vernon
12. Matthew

We are reviewing the rules and the consensus is to move to 8 game sets and partners to be assigned on the basis of previous or assumed ranking.

Please comment.

Cheers,

Martin
