We will also have the Home Rapid Antigen Test Kit available. It will be available to everyone.

Opening Ceremony & Cocktail Party

Please be aware that because of the venue being used only fully vaccinated players will be allowed to attend this event.

Closing Presentation Dinner

Please be aware that because of the venue being used only fully vaccinated players will be allowed to attend this event.

Other Social Functions

Because food and beverages will be served only fully vaccinated players will be allowed to attend these events.

Clubs, Restaurants, Bars etc.

These facilities will only be accessible to those fully vaccinated.

Team Sections and Gradings

Because of the reduced number of teams nominating so far, due to of COVID-19, each player needs to be aware that several age groups may be combined, and that there is likely to be only 1 section in each age group. This could lead to a varying standard of tennis in each section. Unfortunately, there is nothing that we can do about it. These are unusual times.

Let's all get together, enjoy being on the court, socialising and having fun again.

Our underlying concern is for the welfare of our players.

If you have any queries whatsoever, please contact the Organising Committee Chairperson
