Entries: Junior Carnival: No player shall be permitted to enter in more than two events, and if entered in two events, one must be doubles.

Senior Carnival: No player shall be permitted to enter in more than three events, and if entered in three events one must be doubles.

Matches: All singles main draw events (except ITN 5-7 & Masters Events) shall be played using the knockout format and all matches shall be the best of three sets. In any set, if the score reaches six games all, a tiebreak shall be played to determine the winner of the set. In ITN 5-7 singles main draw matches shall be played using the knockout format and shall be a pro set (or first to 8 games). In Seniors events (over 35's & 60's) a 3/4 man round robin event will be held followed by a knockout. Junior main draw matches shall be played using knock out format and shall be the best of 2 sets, if the score reaches one set all the deciding third shall be replaced by one match tie break game (first to 10). The Tournament Committee reserves the right to alter the format of matches.

Consolation/FIC: FIC events will be played for losers in the main draw up to and including the round of 32. However, where there are 32 players or less in the draw, a FIC will be played for losers up to and including the round of 16. FIC matches will be a pro set with an 8 all tie breaker. All players wishing to enter the consolation must sign in after their first round match in main draw.

Doubles: A player entering a doubles event without naming a partner shall accept the partner allocated by the committee, but this does not impose any obligation on the committee to find a partner.
