### ITF SENIORS WORLD INDIVIDUAL CHAMPIONSHIPS

The following announcement was made by ITF President, Francesco Ricci Bitti:

With regret, the ITF, in consultation with Tennis New Zealand and Canterbury Tennis, has decided to cancel the 2011 ITF Seniors World Individual Championships scheduled to be played in Christchurch, New Zealand next week. The ITF Seniors World Team Championships currently being played in Timaru and Ashburton will continue as planned.

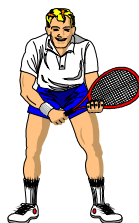

The organisers will now make every effort to ensure the safe return home for all participants. The ITF thanks Tennis New Zealand and the organisers from Canterbury Tennis for all their efforts on behalf of the Seniors World Team and Individual Championships.

“We send our sincere sympathies to the people of Christchurch who have suffered so much due to the earthquake that hit their city on Tuesday,” said ITF President Francesco Ricci Bitti. “While we are, of course, relieved that all the players, captains and officials who were in Christchurch this week are safe, we are mindful of the loss of life and the large number of injuries that have occurred in Christchurch. We thank Tennis New Zealand and Canterbury Tennis for their outstanding efforts on behalf of the Seniors World Team and Individual Championships. We also thank the players for their support of both events and their willingness to play on in these difficult conditions.”

Thus concluded a week of mixed feelings on both sides of the Tasman. There was no choice in Christchurch but to suspend play, but it was gratifying that in two places that were undamaged by the earthquake, the ITF could honour the commitment to the organisations that had put so much time and effort into their preparations for these World Teams' Championships.

Congratulations to all our Australian representatives.

## 2011 DAWSON CALLIDE VALLEY OPEN SENIORS TOURNAMENT—MAY 21-22

Eighty-three players took part in the Dawson Callide Valley Open Seniors tournament held in Biloela. Apart from a half hour interruption on the front courts due to a shower during Sunday morning, the weather was kind to us. Once again we had strong local support and we appreciate the support we receive from other centres. Our youngest player was Tracey Richardson (37) from Biloela, playing in her first Seniors Tournament while John Teakle (82), also from Biloela was the oldest.

**2011 BUNDABERG SENIORS** 32nd Annual Tournament—June 11-13. This tournament was cancelled due to rain.

**2011 ROCKHAMPTON** tournament scheduled for July 9-10 was unfortunately cancelled. The Committee have been experiencing the ongoing problem of players not wanting to play on hardcourt surfaces. Instead on Sunday 10 July they held a social Charity Fundraising Day open to 35 and over players with all profits going to local charities. The second purpose of the event was to entice players back to the game or to increase occasional players participation in playing more regularly. The day was a resounding success with over 80 players taking part. They will apply for a tournament date for next year and may offer a different format to continue the great support we received from our own Central Queensland players.

*Thanks to Des Campbell, Secretary, Tennis Veterans Rockhampton Inc. for this report.*

## 2011 TENNIS SENIORS QLD CHAMPIONSHIPS – GOLD COAST – JULY 1-4.

Once again we were blessed with mostly good weather although it was a bit wet starting on Friday. Numbers for Singles events were up and the standard of tennis was well worth watching. Numbers were good in Ladies Singles too. 326 Players took part in the tournament—26 from New Zealand, which was appreciated after their disastrous earthquakes. Tournament Director, Gail Bates conducted the tournament in her usual professional manner. Courts and facilities at both Gold Coast Seniors and Miami Tennis Club were at their best and we thank these Clubs for the use of their facilities.
