

**UNIVERSITY ACCOMMODATION Option for 2014 Australian Teams Carnival - Hobart from 12-17 January**

We have received information from Hobart Travel Centre about University accommodation during the Carnival. At present the university has single rooms (share bathroom) and 6 bedroom apartments (with own bathroom) available.

Twin and double rooms (share bathroom) availability will not be known until June-July when students in those rooms advise whether they will be staying on over the summer months.

The single room cost is \$55.00 per night and the apartment cost is \$330.00 per night.

Would any players interested in this type of accommodation please contact me as soon as possible.

TSQ will not be making any block booking but would like to know who is interested so that we can put them in touch with other interested Qld players.
