

Queensland wins the Australian Teams Event in Shepparton

Queensland has won the Teams Event at the recent Australian Championships in Shepparton. Yes it was close, albeit by 0.12% from ACT, 55.70 to 55.58. Congratulations and well done to all the Queenslanders who participated and thank you also to all the players from the other states and New Zealand for making it such an enjoyable week.

TSQ President Gail Bates accepting the Team Trophy from TSA President Reg Trevaskis
